# About Our Company

Established in 2016 in Chipagarh, Rohini – 4, Bhairahawa, Nepal, Siddhartha Sunrise Industries Pvt. Ltd. proudly stands as Nepal's pioneering manufacturer and supplier of premium UPVC Roofing Sheets and its Accessories. Our commitment to innovation, quality, and unparalleled customer satisfaction has propelled us as a trusted leader in the UPVC roofing industry. Serving a large scale of sectors – from commercial and residential to educational and healthcare – our offerings cater to diverse market needs.

## Strengths:

### **After-Sales Support and Customization:**

Beyond our diverse product range, we specialize in tailoring solutions to unique customer requirements supported by comprehensive post-sales support.

**Cutting-edge Manufacturing:** Our state-of-the-art facilities, fitted with the latest technologies, emphasize our dedication to quality and efficiency in production.

**Skilled Team:** We as a company pride ourselves on a team of dedicated professionals, ensuring the delivery of superior products and top-tier customer service.

**Client Relationships:** Built on the pillars of integrity, trust, and respect, our customer-centric ethos fosters enduring partnerships and consistent satisfaction.

**Environmental and Social Responsibility:** As a testament to our commitment to the broader community, we take initiatives to reduce our ecological impact and uplift the communities where we operate.

## Our Capabilities:

•**Broad Product Range:** From commercial and industrial spaces to schools and hospitals, our expansive product portfolio addresses varying needs.

•**Innovation-Driven:** Constantly adapting to evolving market requirements, we're at the forefront of introducing innovative roofing solutions that enhance productivity and profitability for our clients.

•**Sustainability:** Our dedication to environmental protection ensures eco-friendly practices across all facets of our operations.

In sum, Siddhartha Sunrise Industries Pvt. Ltd. remains a beacon of reliability, always looking ahead and committed to elevating the standards of UPVC Roofing materials and customer service in the industry.

## Our Vision

### Lead the Market

To be the foremost provider of UPVC Roofing Sheets in Nepal, setting benchmarks in quality, innovation, and customer satisfaction.

### Sustainable Future

Endorse a sustainable future by minimizing our ecological footprint and fostering responsible manufacturing practices.

### Enduring Partnerships

Build and maintain lasting relationships with our clients and communities, becoming their preferred choice for UPVC roofing solutions.

## Our Mission

**Quality First:** Ensure that each product manufactured aligns with the highest industry standards, providing durable and premium UPVC Roofing Sheets.

**Empower Customers:** Continuously adapt and evolve our offerings to meet the diverse and changing needs of our clientele, from residential to commercial sectors.

**Innovation at Heart:** Stay at the forefront of technological advancements, integrating the latest technologies into our manufacturing processes.

**Community & Environment:** Actively engage in initiatives to benefit the communities we operate in, while diligently adhering to eco-friendly practices.

**Cultivate Excellence:** Invest in our team's growth and development,

## Our Goal

At Siddhartha Sunrise Industries Pvt. Ltd., we're set to redefine UPVC Roofing by seamlessly merging technology with expertise. Our ambitions stretch beyond industry leadership; we are committed to innovation, exceptional client satisfaction, and sustainable growth that uplifts our surrounding communities.

# We Believe In

Our core principles revolve around unwavering integrity and the pursuit of excellence in all we do. We champion sustainable practices, valuing eco-conscious growth. Emphasizing teamwork, we are deeply client-focused, ensuring our services align perfectly with their needs. Beyond our business, we take pride in making positive strides within our communities, ensuring our progress benefits all.

## Why Choose Us?

Choose Siddhartha Sunrise Industries Pvt. Ltd. for cutting-edge UPVC Roofing solutions. Our eco-friendly spirit, commitment to client satisfaction, and community focus make us more than just a provider; we're your trusted partner in quality and value.

# Testimonials

Our success story is incomplete without acknowledging the incredible support from our customers. Their testimonials are a true reflection of the excellence and commitment we try to provide to our customers."

**Mr. Suka Lal Tamang**  
Barahi Builders (M.D.)

Siddhartha Sunrise UPVC Roofing Sheets are a game-changer for us at Barahi Builders. The durability and versatility of both the Tile and Jasta variants have significantly enhanced the quality of our constructions. Kudos to Siddhartha Sunrise for delivering top-notch products!

**Mr. Mahesh Maharjan**  
Maa Harati Metal (M.D.)

As a fabricator, Siddhartha Sunrise UPVC Roofing Sheets have simplified our job at Maa Harati Metal. The ease of fabrication and the quality of the material make these sheets a preferred choice. A definite thumbs up!

**Er. Rabin Bikram Thapa**  
Next Arc Construction (P) Ltd. (M.D.)

Siddhartha Sunrise UPVC Roofing Sheets have become our go-to choice for various projects. The engineering excellence behind these sheets is evident in their performance.

**Mr. Manish Sahewala**  
Manish Iron Store (Proprietor)

As a dealer of Siddhartha Sunrise UPVC Roofing Sheets, we vouch for their product quality. I highly recommend these sheets for their durability and customer satisfaction

**Mr. Aman Agrawal**  
Suryamukhi Trade Link (M.D.)

Siddhartha Sunrise UPVC Roofing Sheets have become synonymous with quality in Dharan. I commend the company for delivering products that meet and exceed expectations

**Mr. Dipendra Nayak**  
Product User

Siddhartha Sunrise UPVC Roofing Sheets have transformed my living space in Janakpur. It is consistently cool and comfortable inside, even when it is hot outside. I made the perfect choice and am highly satisfied with the product
